TO PARENTS AND GUARDIANS

Let us trust that the parents or guardian of the pupil, to whom this little book belongs, will take as much interest in examining this report as the teacher has in preparing it. A faithful parent or guardian will discuss with the pupil and when possible with the teacher, the results herein recorded. Do not spare a word of commendation or of encouragement and help. It is inspiration that gives power. In this you can help by giving due attention to the record of the child's work in school. Remember the "child is father of the man." Therefore, let encouragement to good school work and to noble emulation of the great men and women our country has produced, be the inspiration of our rising generation.

Kindly sign your name at the proper place and return book to teacher.

Provision has been made for all grades of pupils in one book. This simplifies ordering and keeping on hand a supply of Report books.
